Week 1 Day 1: Comprehension

When Jolie the lion woke up, her mane looked chaotic. It was a tangled mess of fur. Embarrassed, Jolie acted coy when the first visitors to the zoo appeared. She didn't want to visitors to see her that way! Jolie decided to hide in a small cave until she could tame her mane.

When no one was looking, Jolie crept out of her cave and took a bath in the small river in her enclosure. When she was clean, she strutted out of the river to show off her nice clean mane for all the visitors.

Why was Jolie acting coy?

What do you think Jolie would do if she didn't have a river to clean up in?
