Week 2 Day 1: Comprehension

When Logan became a superhero he thought it would be fun and exciting. He didn't realize how hard it was to be in the limelight. People always wanted to meet him and get his autograph. He had to learn to fly and fight and he had to work out so he would be super strong. The training to be a super hero was intense!

Logan did enjoy helping people and he liked when people called him heroic. One time Logan lifted an entire double-decker bus off a car with people in it. He was relieved when they were all healthy.

What other super powers do you think Logan has?

Do you think Logan continued to be a superhero?
