# Week 4 Day 1: Comprehension

Riley grabbed a magnifying glass, a small plastic scooper, a clear plastic container, and her book “1001 Amazing Facts About Ants”. She wants to go outside and observe what ants do. Riley received an ant farm for her birthday and she hopes she can capture some ants. The ant farm is full of dirt that the ants can move around. It is thin so Riley can see the tunnels the ants dig and watch them on a daily basis.

Do you think the ants will enjoy the ant Farm?
