# A Snowman Vacation

1 the snowman is going on vacation to 2.  
He is feeling 3 about his vacation and wants to make  
sure he packs enough clothing in his 4.  
First, he packs 5 sticks for his 6.  
Next, he adds 7 carrots. He especially likes 8  
carrots. Then he puts in 9 hats.  
He adds in 10 mittens. Mittens are his favorite because  
they're 11.  
He's feeling a bit tired so he 12 throws in 13  
scarves.

-----

The snowman looks in his bag and realizes he has way too  
many 14. So he takes a few out.  
Then he notices he has far too few 15 and adds a  
few more in.  
Now he is ready for an absolutely 16 vacation.
