These printables are provided free of charge and are for personal use only.

## **You may:**

Print as many copies as you'd like

Use them in a group or classroom setting

Share the link to my blog to other people who are interested in the pack

Post online about the pack giving proper credit back to RoyalBaloo.com

## **You may not:**

Sell or distribute this file

Host this file on your own website

Upload this file to a shared website (i.e. 4shared.com)

Claim these files or sell them as your own

Link directly to the pdf file online

Print and sell them to others|

I reserve the right to change these terms of use at any time.

Thanks Erin @Royal Baloo

Can you make craters  
on the moon?

How many moons can you add  
around Jupiter?

Can you make flames to propel  
the rocket up?

Can you fill in the Earth?  
And then add stars to  
space?

Can you design your  
own flag to stay  
on the moon?

Can you make craters  
on the moon?

How many moons can you add  
around Jupiter?

Can you make flames to propel  
the rocket up?

Can you fill in the Earth?  
And then add stars to  
space?

Can you design your  
own flag to stay  
on the moon?
